4. Agreement was quickly reached and L. Grant Foster and Brett L. Foster began moving their office files, among other things, from their Foster & Foster L.L.C. offices across town to the Offices of Holland & Hart. My files (the files of Lynn G. Foster) were to remain at my office, 602 East 300 South, Salt Lake City, Utah. This included the above-identified application.

5. I have recently discovered that some file disorder occurred at the time of the above-mentioned move. This included misplacement of a Notice To File Corrected Application Papers (Notice) in the above-identified patent application mailed October 4, 2001, which was received but misplaced among unrelated documents some time during October 2001. This misplaced Notice was discovered for the first time on October 29, 2002. A copy of this Notice is attached.

6. The firm of Foster & Foster L.L.C. became inactive after L. Grant Foster and Brett L. Foster completed their move to Holland & Hart.

7. Thereafter, I formed the firm of Lynn G. Foster, L.C. and have practiced in that firm since.

8. The Notice only requires submission of drawings with correct margins. The required drawings are attached to satisfy the requirements of the Notice.

9. The entire delay in question was unintentional.

10. Please charge the small entity revival fee in the amount of \$640.00 to deposit account 06-1620. Please charge all other fees, if any, pertaining to this matter to deposit account 06-1620.

11. No terminal disclaimer is required.

12. A copy of this Petition is attached.

Respectfully submitted,

Lynn G. Foster
